Scotland's Top Youth Soccer Festival

Supporting Breast Cancer Awareness

Scottish Breast Cancer Campaign

"We are delighted that the Loch Lomond Youth Soccer Festival have selected the Scottish Breast Cancer Campaign as the recipient of the monies which will be raised this year. We trust that the tournament will be a great success and hope everyone has a great time.

SBCC is a non-profit making organisation run entirely by volunteers and funded solely by charitable donations. As Scotland's only independent advocacy group, we aim to educate and inform women about all aspects of breast cancer. We lobby government to maintain investment in breast cancer services in Scotland and to acknowledge the link between the ever-increasing incidence of breast cancer and the chemical pollution in our environment.

For more information on what we do and how our monies are spent or to support our work by becoming a member, log onto our website at www.scottishbreastcancercampaign.org"
